

## **Philippians 1:21 For to me to live is Christ, and to die is gain.**

I love the Lord Jesus Christ and His word. Because of Jesus I am saved and living for God. The reason for our existence is to serve and praise God all of our lives until death, but even after leaving this world we will continue to praise Him forever and ever. Amen!

Walking with Jesus is getting sweeter and sweeter every day. Even when trials and hardships come, with Jesus it is still sweet! God has been doing great things amongst us every day.

I am really seeing changes in the Church in Villeta. More are faithful, loving God. This past Tuesday, we showed a video "Light of the World" by Chick publications at one of our family's house. They invited neighbors and friends to come and watch this video. About 10 adults came and many children. After the Video, three of our men started to give their testimonies and preach Repentance toward God and faith in our Lord Jesus Christ. All ten received Christ. The next day, Wednesday, all ten came to church.

Praise the Lord! I am so excited that our men whom received Christ and growing under our ministry are going out and winning their own people to Christ with love and power. We have about 5 Timothy's that were saved with us who can handle the Word of God and preach the Gospel with confidence and love. Praise Jesus!!

Also our second work in Villa Elisa is growing slowly but surely. I spend most of my time in Villeta training the men and preaching 5 times a week and every Thursday in Villa Elisa. The great news is one of our men has been preaching on Thursdays at the work in Villa Elisa, and he is doing a great job! He preaches with a sincere heart. I always tell him "A message born from the heart will reach the heart, but a message born in the head reaches the head" I believe with little more time he would make a great pastor. Pray for him his name is Hermano Giménez.

I am excited about God and what He is doing in the hearts and lives of the people. Please continue to pray for us. We need your prayers!

### **Things to pray for:**

Souls for Christ  
My family  
The ministry  
Bibles  
The land next to the church  
Our 10 year residency  
More support without going back to the states.

**Wilps family Missionaries to Paraguay South America Romans 1:16**
