

Prayer letter for Feb 2008.

Paraguay South America is a beautiful country. There are fruit every where hanging almost from every tree. There are Mangos, Guayaba, Grape fruit, Lemons, Tangerines, and many others. There is so much, most of it goes to waste and cleaned up to be thrown in the trash.

The weather here is unbelievable. The summers here range from 90 degrees to 115 degrees. With high humidity. When it is summer here it is winter in the USA.

I love this Country. I don't love the country for the beauty or the natural fruits or for the weather. I love this Country because it is the will of God that I am here. I love this country to win them to Christ. I love this Country because I love the Paraguayan people. I love this Country because God loves them and wants them to be saved!

This Country like all Countries are being attacked by spiritual wickedness. Things that I have seen and heard I don't even want to talk about. I have seen literally devil possession in many. Even my own Neighbors coming to me for help. The devil is literally destroying lives. But thanks be to God Jesus came to Save.

We have had people throwing rocks through our Church windows and on our metal roof as we are preaching Gods Word. I have had one man try to kill me, while he had two men holding him back, but he could do nothing as God was and is protecting me. As he was trying to hurt me and spit on me, with tears in my eyes I pleaded with him to Trust Christ as his Savior. I began to tell him that I love him and Jesus loves Him and that Jesus came to save him and to make him free. I believe the Devil is not happy. He is losing souls to Christ. How I Love the Gospel of Christ it is the power of God unto Salvation.

Our Youth meetings every Sat in Villeta has been growing. We have had quite a few young people saved and they have been coming to the Youth meetings. We are very excited about this. Please pray for more salvations and that many will be faithful.

We have had visitors coming to our second work in Villa Elisa. Please pray for the Work here in Paraguay.

We are staying very busy. Here is our Schedule:

Mon at 7:30pm is our Menes Bible Institute.

Tue at 6:30 we have our church visitation. **Wed** 7:00pm our Preaching service.

Pray for us we are in need of more RVG Spanish Bibles. We also need prayer for our 10 year residency. We have our one year and are trying to apply for our 10 year. Also we need to get our Church registered with the government. All of these things are very time consuming and expensive. Please pray for us. We need your prayers!

If you or someone you know believes God is calling them to a mission field. Please consider Paraguay. Paraguay is a wide open Country and almost no Bible believing missionaries are here. Please contact me if your interested. We could help you start a work. We could help you learn the Language. We even have a Saved Paraguayan interpreter that could help you deal with the people here. Please pray it is a great opportunity.
